Prisma collection

Minimalist style, versatile, great storage capacity

Wide range, combined solutions

Prisma is an innovative and versatile collection.

Thanks to its variety of options (basins, furniture, metallic structures, mirrors and accessories) and sizes, Prisma is re-affirmed as the ideal solution for both private and public bathroom spaces.

The **Prisma** collection is composed of the following elements:

- 7 basins (with double bowl versions and asymmetric with integrated shelf),
- 10 base furnitures (in all sizes and in 1 or 2-drawer versions),
- 5 stainless steel metallic structures with integrated shelf and towel rail,
- Towel rails both for furniture and basins,
- 2 LED mirror versions (Basic and Comfort) in all sizes.

Moreover, Prisma can have towel rails that are perfectly integrated both in furniture bases and basins, thus optimizing the available space.

Minimalist and pure design

Prisma has a pure and minimalist design: it adapts to any space.

Versatility defines **Prisma** basins, its installation can be wall-hung, vanity and with metallic structure, widening the options to build the bathroom space.

Its pure and rational lines design allow an adjustment to the environment and timelessness.

The functionality of **Prisma** basins is evident in the asymmetric versions (900 and 1100 mm) with integrated shelf that use and optimize the available space to the fullest.

Great storage capacity

Prisma collection has at its disposal two different furniture versions, with one or two drawers, allowing to store all the needed things. Moreover, both one and two-drawer versions have a hidden internal drawer for small objects.

All **Prisma** furniture have complete extraction drawers and without cut-out, that allow an increased comfort and storage capacity.

LED mirrors

Prisma offers 2 mirror versions: **Basic** and **Comfort**. Both include low consumption LED integrated lighting and the **Comfort** version has also a demister device system and lower ambient light, activated by touchless sensors.

Elegant finishes

Prisma furniture is available in four elegant finishes: glossy white, glossy anthracite grey, textured ash wood and a trendy combination: white fronts with textured ash wood laterals.

The furniture interiors have a textile finish, pleasant to the touch and sight.

Installation options

2-drawer **Prisma** furniture can be installed with or without legs.

Unik and Pack versions

Prisma is available in **Unik** and **Pack** versions.

Unik versions includes furniture and basin, whilst **Pack** versions includes **Unik** and **Prisma Basic** LED mirror.

With the **Pack** versions there is nothing for you to worry about, you take everything you need.
